CONNECT & CONTINUE

ABUNDANT LIFE CHRISTIAN ACADEMY EST. 2015

5904 NEW NASHVILLE HWY MURFREESBORO, TN 37129

THANK YOU GOD!

As we all know COVID-19 closed many schools down in March of 2020, causing the school year for most to end at that time. Many restrictions such as a state-wide quarantine and travel particulars were implemented to ensure safety. Although many students around the country were forced to conclude, Abundant Life Christian Academy's staff worked daily to continue the school year and end according to schedule.

Through the strategic implementation of virtual learning from the teachers, consistent lesson plans, and accelerated learning and tactics taken; students were able to receive a full learning plan with the help of the parents. We thank God for the parent's cooperation of having their children log on timely, pick-up work packets / send back homework, and view tutorials and instructions. We also thank God for the staff and their willingness to jump right in, from meetings to lesson plans, and even utilizing their own resources to reach the students.

God gave us the wisdom to continue and the support from our staff and accreditation team to commence a plan to continue to educate the children. He also kept us safe from COVID -19 according to Psalms 121:7!

WHAT WE HAVE DONE

Aside from overcoming the challenges of COVID-19 and implementing specific policies and procedures, the Lord has blessed the Academy with the following:

- Receiving funding for the purchase of a school bus
- Adding a new teacher for our Music Theory Class
- Adding to our staff to assist with mentorship and tutoring opportunities
- Installing a basketball goal
- Funding to make necessary repairs and modifications to receive students.

We are so thankful to God for allowing us to continue the pace with what we have been believing to be completed in the Academy, as it continues to minister to the students.
