Corporate Confession

2024 is a year of increase. The Lord will increase us and our children more and more, according to Psalm 115:14. As it is written, one plants, and one waters, but God gives the increase. We commit every area of our lives to growth, expansion, and greatness in the name of Jesus. We shall increase in greatness and be comforted on every side (Psalm 71:23). We receive grace for enlargement, for we shall break forth on the right hand and on the left according to Isaiah 54:2-3.

Father, we thank you that our hunger and thirst for the Word are increasing. Our faith in how you loved us in Christ is increasing. Therefore, we always have victory and we overcome the world (1 John 5:4). Our love for you, for one another, and mankind is increasing. We decree that we walk in ever-increasing measures of your wisdom and favor (Luke 2:52).

We speak INCREASE in the name of Jesus!
